We need boats! SFY has immediate openings for late-model sail and power yachts (Catalina, Island Packet, Hunter, Grand Banks, Mainship, Gemini, etc.) to join our charter management program. We have a critical need for late-model vessels in the 30-50 foot range.

Charter revenue is a great way to help offset the cost of boat ownership! We can either find a boat for you that meets both your needs and our charter demand or we may accept a well-maintained vessel that you already own if it meets our standards for condition and equipment!

Here is what one of our boat owners has to say:

"For my money, Barb and Vic Hansen run the best charter operation in Florida.

If you want to put your boat in charter, why not go with the best?"

- Dave N., SFY charter yacht owner

--We have been in the business for 30 years! We offer complete yacht management. For information on our charter yacht ownership program, please give Barb Hansen a call at 800.262.7939 or email us at info@swfyachts.com

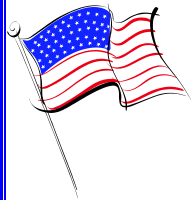

*I just wanted to send you an email to let you know how much we enjoyed our trip on the Dawn Treader a few weeks ago. The weather was perfect and our Captain Chris was the best! We really enjoyed the marinas we stopped at each day and I can honestly say there hasn't been a day since we have been back that I haven't thought about the wonderful time we had on the boat. We are ready to sell everything we own and get one of our own!
Thank you again for all your help.*
